BACHELOR OF ART (HONOURS) INTERIOR ARCHITECTURE & DESIGN (3.5+0)

in collaboration with Sheffield Hallam University, UK

The BA (Hons) Interior Architecture & Design encourages a thorough, yet versatile design approach – following systematic and coordinated methodologies. The programme will equip students with the creative skills and knowledge they need, especially when they enter into the world of interior design. Through this, they will experience working on various creative design briefs and live projects for their respective clients. With an interior architecture & design degree, students can build a strong portfolio of work, which will prepare them for a rewarding career in an exciting industry.

Here at INTI, we aim to develop students' own creatives and sustainable approaches to interior architecture and design by challenging and exploring contemporary practices through a series of exciting and diverse projects. This programme focuses on transforming architectural spaces into exciting, sustainable environments through innovative designs and learn skills that will best reflect their personal interests, as well as career aspirations.

A series of exciting lectures will be delivered by external practitioners, from various design practices worldwide – offering industrial contacts for possible future placements.

Students will also have the opportunity to gain further exposure by entering national and international design competitions, such as the Asia Young Designer Award, MIID REKA Award, MIID Student Saturday and so forth to edge their professional portfolio.

Highlights

- Accredited by the Board of Architects Malaysia
- Specialist lecturers who are design professionals
- A compulsory industry placement programme provides students with the opportunity to experience real-life industry practice
- Programme and curriculum designs are enhanced by professional input from design practitioners
- Degree awarded by Sheffield Hallam University, UK
- Students will stand a chance to be awarded the Annual Inspirational Student Awards by Sheffield Hallam University
- Through the "Co-Exist" initiative, students will be experiencing interdisciplinary practice

Offered at

INTI International College Subang
(R/581/6/0020)(01/23)(MQA/FA2181)

Future Careers

This programme prepares you for future studies and careers in:

- Interior and spatial design
- Interior architecture
- 3D design
- Retail and exhibition design
- Event and set design

INTAKES: APR & AUG

Duration

3.5 Years (Inclusive of a 6-month internship)

Programme structure

Year 1

Students will learn how to develop research, observation, analytical and communication skills. They will explore creative and lateral thinking through project work. Students will also learn some of the specific subjects that caters to technical and presentation skills, through the utilisation of production techniques.

Subjects include:

- Interior Design Space, Form and Architecture
- Interior Design People and Place
- Green Design (Elective)
- Building Construction & Materials (Elective)

Year 2

In the second year, students will further extend concepts of design thinking and apply this to commercial briefs. This will typically be in conjunction with external professional partners such as manufacturers, clients, designers or others, in a range of creative and experimental ways. They will develop and extend their understanding of materials, technologies and professional practice for the construction of building interiors. In addition, they will utilise reflective practices in project work, and apply professional skills in their own design practice.

Subjects include:

- Interior Design Context
- Building By-Law (Malaysia)
- Interior Design Application

**An International Study Tour
will be scheduled in Year 2**

Year 3

In the third year, students will start to consolidate their skills and knowledge gained from their previous education. They will be able to demonstrate areas of expertise in order to plan, research, manage and communicate a chosen programme of study for their final project. Students will define, enquire and resolve challenging design problems, and demonstrate their skills, knowledge, understanding and professional abilities within a chosen theme for their project work.

Subjects include:

- Interior Design Inhabitation
- Interior Design Resolution

Industry Attachment (compulsory)

- Industry Placement (ID)

MPU subjects

- Bahasa Kebangsaan A*/ Design Thinking
- Community Service
- Corporate Social Responsibility
- Appreciation of Ethics and Civilizations (Local students) / Communicating in Malay 2 (International students)
- Philosophy and Current Issues (Local students) / Malaysian Studies 3 (International students)

** For Malaysian students who do not have a credit in SPM BM.*
