## INNOVATIVE Teaching & Learning

INTI integrates an array of proven approaches to teaching combined with revolutionary applications of technology in the classroom such as the innovative Canvas Learning Management System.

INTI uses Canvas as our Learning Management System (LMS), providing customizable tools to enhance teaching and learning for students and lecturers. This user-friendly platform supports collaborative digital learning environments, fostering a holistic educational experience.

Canvas's robust features — such as Rubrics, Modules, Calendars, Quizzes, Syllabi, Discussions, Analytics, and SpeedGrader — enable instructors to provide dynamic and personalized learning experiences. The integration of Turnitin with the AI Detector feature helps maintain academic integrity and ensures high-quality educational delivery.

INTI collaborates with industry partners like IBM, AWS, LGMS, SAS and Alibaba GDT to integrate industry content into the curriculum. This enriches course content, enhances learning outcomes, and makes education more engaging and practical.

## INDIVIDUAL Development

INTI endeavours to include practical experiences in every programme it offers. From practical workshops taught by local and international guest lecturers and industry practitioners who share the ins and outs of the working world, to hands-on practical projects initiated by potential employers.

Over the years, INTI has cultivated a strong engagement with multinational companies and large local organisations on diverse platforms to foster innovation curricula and develop future-ready graduates.

## The platforms include:

- Industry Awards / Scholarships
- Employer Projects
- Boot Camps and Career Workshops
- INTI Leadership Series
- Faculty Industry Attachments
- Coaching and Mentoring
- Industry Advisory Boards
- Industry Skills Certifications
- Employer Centric Curricula
- Internships and Job Placements

# MASTER THE ART OF COMMUNICATION

The ability to effectively get your point across to the masses is a powerful skill. These days, information can be searched with a few clicks of a mouse and the latest news can be shared and disseminated across the world within minutes of it happening, thanks to the power of media and communication. Media and Communication will train you in a wide array of disciplines that enables you to master the ability to craft and share messages with a global audience.

## PRACTICAL EXPERIENCES AND INDUSTRY RELEVANT CURRICULUM

In keeping with INTI's educational philosophy to ensure students receive industry relevant curriculum, guided by experienced and industry-trained professionals, INTI firmly believes in integrating and incorporating a diverse array of practical course-related activities to its teaching delivery.

Students are also given collaborative internship opportunities at Malaysia's leading media agencies to expose them to real-world scenarios, e.g. challenge of developing and presenting advertising campaigns to management teams.

## STUDY TRIPS AND VISITS

Students contemplating the option to complete a portion of their course abroad can opt for a Semester Abroad Programme to attend lectures and tutorials at our partner universities.

## MASS COMMUNICATION WEEK

This student-run and initiated campus-wide annual event addresses key issues in media and communication. Providing opportunities for students to develop their management and communication skills, students organise and implement the entire event from start to finish. In the past, the event welcomed some of Malaysia's most prominent figures to share their insights on mass communication issues. Luminaries such as Datin Paduka Marina Mahathir has taken the stage to speak at INTI International University while other talented individuals who have also given talks include Datuk Jake Abdullah, CEO of Astro Radio and Mark O' Read, a celebrated host on 8TV.

## INNOVATIVE, INDUSTRY-RELEVANT LEARNING

Our faculty consists of industry professionals who have proven themselves to be acknowledged masters in their respective fields. This is also combined with a regularly assessed curriculum to ensure that every course is aligned with the needs of the industry. To enable students to maximise their learning experience, INTI employs the highly advanced Canvas Learning Management System, allowing students and lecturers to interact with each other via curated forums online, revisit course content at any time and also allows students to identify areas for improvement via advanced analytics.

## FULLY EQUIPPED BROADCASTING STUDIO

Our campuses come with fully equipped broadcasting studios that incorporate the latest technology. This includes a full array of microphones, lighting solutions and video recorders from reputable manufacturers such as Sony, Sennheiser and Lowel. The studio also incorporates a comprehensive studio recording management system akin to that used in broadcasting stations worldwide that enables students to gain hands-on experience into the work that goes into creating TV productions for broadcasting. With this fully equipped station, students are able to create a diverse array of productions for course work ranging from live reporting to full-on video productions from start to finish.

# PARTNER UNIVERSITIES

## UNIVERSITY OF HERTFORDSHIRE, UK

The University of Hertfordshire, UK, distinguished with a silver ranking in the 2023 UK's Teaching Excellence Framework (TEF), is renowned for its commitment to excellence in education. Welcoming over 10,000 students from over 140 countries, the university prioritises an inclusive and supportive environment. Its School of Creative Arts offers cutting-edge programmes taught by industry-leading faculty, providing exceptional learning experiences. Immersed in UK culture, students benefit from a flexible, nurturing community that fosters intellectual growth and creativity. Furthermore, students gain valuable transferable skills and opportunities for international study, enriching their career prospects.

### BACHELOR OF ARTS (HONOURS) MASS COMMUNICATIONS 3+0

in collaboration with University of Hertfordshire, UK

The Bachelor of Arts (Honours) Mass Communications 3+0 is a comprehensive three-year and twelve-week degree designed to prepare students for successful careers in the diverse field of mass communication. This programme provides a robust foundation in key areas such as journalism, film, digital media, and advertising. Students gain extensive practical experience through courses in videography, magazine design, news and feature editing, culminating in a final year project with an industry partner.

Students have the flexibility to complete the entire course locally in Malaysia or transfer credits to finish their studies at the prestigious University of Hertfordshire in the UK. Throughout the programme, INTI students can access the full range of University of Hertfordshire resources, including online learning materials and more. They also benefit from privileged access to INTI's fully equipped broadcasting studio for completing course work.

Upon completion, whether locally or at Hertfordshire, students receive qualifications recognised as equivalent to those conferred by the University of Hertfordshire. A key component of the programme is the final project, where students collaborate with a recognised industry partner. This project simulates a real-world scenario, requiring students to review the employer's issues, develop proposals and solutions, and present their findings to the employer.

### BACHELOR OF MASS COMMUNICATION (HONS)

in collaboration with University of Hertfordshire, UK

The programme, developed by INTI in collaboration with industry professionals and endorsed by the University of Hertfordshire, offers a unique dual nature that significantly broadens students' prospects in various countries and organisations.

Students begin the programme by developing a core set of skills and knowledge through a holistic curriculum that integrates both theoretical and practical elements, such as Communication Technology, Social Psychology, and Development Communication. They then have the option to specialise in one of four areas: Advertising, Journalism, Public Relations, or Broadcasting. Additionally, all students are required to master a new language, such as Japanese, French, German, or Mandarin, to prepare for the competitive globalised industry.

Each specialisation offers a robust practical component involving an extended employer project. In this hands-on project, students collaborate with industry partners to address real-world challenges. They work as part of a multidisciplinary team, alongside peers from other specialisations, to devise and present solutions, simulating the professional environment.

## SWINBURNE UNIVERSITY OF TECHNOLOGY, AUSTRALIA

AUSTRALIA

### BACHELOR OF MEDIA AND COMMUNICATION 3+0

in collaboration with Swinburne University of Technology, Australia

The Bachelor of Media and Communication is designed to equip students for successful careers in the media, communications, and multimedia industries. The programme delves into the evolving landscape of media by exploring critical issues such as media ownership, control, and the societal impact of emerging media technologies.

The Bachelor of Media and Communication integrates industry experience, technological skills, and in-depth critical knowledge in indigenous, local, and global contexts to prepare students to respond creatively to the digital transformation of media industries. # FOUNDATION IN ARTS

This programme is specially  
designed to prepare students  
for the field of communication.  
It also has few subjects that  
allows students to venture  
into Business, Psychology and  
Sociology. There are four major  
communication subjects to  
enhance understanding in the  
field of communication. As these  
subjects are also substantial  
in the business degree  
programmes, students have  
the option to choose electives  
or pathways in Business or  
Psychology. Students are also  
given an insight into creative and  
critical side of writing to prepare  
them for an ultimate unique  
career.

# Only available in INTI International University

\*Prerequisite applies

\*\* For offering of electives, please consult the Head of  
Programme..

### Learning approach

We employ various active learning  
methodologies, including Problem-based  
Learnings. Group discussions and projects are  
also incorporated to help students develop  
academically in areas such as study skills,  
presentation skills, research skills and time  
management skills, which are crucial for  
academic success. These will further enhance  
students critical and analytical skills,  
preparing them for tertiary studies and the  
demanding workplace.

### Assessment

Assessment of individual courses in the  
Foundation programme consists of two  
components:  
• Continuous coursework (50%)  
• Final examination (50%)

The continuous coursework component  
comprises different assessment tasks such as  
group projects, assignments, laboratory work,  
presentations, tests and others throughout  
each semester. The final examination is  
conducted at the end of each semester.  
Assessments are subject to quality assurance  
procedures to maintain high standards and  
ensure fair assessment.

# DIPLOMA IN MASS COMMUNICATION

This is a broad-based diploma course that covers Public Relations, Advertising, TV Production, Journalism, Graphic Communication and Marketing. It offers students a wide area to explore and discover where lies their true passion. With hands-on assignment backed by theory, students find it easier to choose a major for their degree or decide on a career. Students have the opportunity to gain experience through structured internships in this programme. We also bring the industries into the classroom, allowing students to understand and interact closely with the industries they will be part of in the future. By implementing Employer Lecturer and Employer Project initiatives, we reduce the gap between the industries and students.

# BACHELOR OF MEDIA AND COMMUNICATION (3+0)

in collaboration with

The partnership between Swinburne and INTI aims to build on this successful relationship by providing access to transnational resources, study trips, semester abroad programmes, as well as seamless transfer opportunities for both Malaysian and Australian students between Peninsular Malaysia, Sarawak and Melbourne.

Our graduates are spread around the globe and work for some of the most dynamic organisations, from start-ups and not-for-profits to multinationals.

A degree from Swinburne means you'll have the prestige of a globally renowned university paired with the confidence that comes from genuine workplace experience.

## Programme Structure

The Bachelor of Media and Communication is designed to prepare students for a career in the media, communications and multimedia industries. Students learn about how the media is evolving through an examination of issues such as ownership, control of the media and the impact of new media technologies on society. The course links theoretical and practical knowledge and skills needed to operate effectively in diverse settings in industry.

This programme encompasses a major in Social Media and Advertising with a minor in Digital Marketing. A major in Social Media and Advertising gives students a comprehensive understanding of social media platforms and learn how to analyse new and emerging media technologies and drive their use and innovation across industry.

## Professional recognition

Our advertising major is professionally accredited by the Media Federation of Australia.

# HEAR WHAT OUR ALUMNI SAY

“I am grateful for INTI’s alumni-faculty relationships. My lecturers were always helpful and never let go of me as an alumnus even though I have left the university for some years now. As alumni, we could get any resources that we want if we requested it. INTI has never let me down!”

**EDISON LIM HUANG XIAN**  
Founder and CEO, TAG La Technology  
Bachelor of Mass Communication (Hons), INTI International University

“During my studies at INTI, I participated in networking events and took part in numerous competitions such as the Maybank Go Ahead Challenge where I was emerged as one of the National Finalists in 2019. I was also named the EPIC Entrepreneur Champion and a Malaysian Representative for the ASEAN Multi-Media Team. These experiences certainly built my credibility in obtaining opportunities from other business owners.”

**KENNY LAM HUA JIAN**  
Founder and CEO, Polar Stomp  
Bachelor of Mass Communication (Hons) in collaboration with University of Hertfordshire, UK

“INTI’s comfortable surroundings, affordable fees and diverse course modules were factors that led me to study there. Content management is vital in my current job and what learned at INTI has enabled me to effectively present subject matters in an interesting, clear, concise and logical manner. Looking back, INTI was practically my ‘home’ in education.”

**KELLY ANISSA SUNNY AFFANDEY**  
Producer, Radio Station BFM 89.9  
Bachelor of Arts (Honours) Mass Communications 3+0, in collaboration with University of Hertfordshire, UK

“I chose INTI’s Mass Communication course for practical reasons – to gain knowledge and for the benefits I could gain from the practical assignments. From the practical assignments, I learnt to interact with people from all walks of life. I started to do some freelance work in video production and editing, and later managed to build my own clientele, which eventually led me to own a video production agency upon graduation.”

**JUSTIN WONG ZHE XUAN**  
Senior Videographer and Editor, The Beat Creatives  
Diploma in Mass Communication

“At eighteen, I had set my heart in pursuing the creative field of storytelling and INTI offered the perfect programme and studying path for me. The modules made me well-equipped for my blooming career, ranging from practical knowledge in film production, design, and media all the way to the retrospective world of theories and philosophy. I enjoyed every second of it, thanks to lecturers who brought the best out of me.”

**NAS ADDINA**  
Screenwriter & Producer, Astro Shaw  
Bachelor of Arts (Hons) Mass Communications 3+0, in collaboration with University of Hertfordshire, UK

# EMPLOYER TESTIMONIALS

## REDBOY PICTURES SDN BHD

“We are grateful to have established a strong and meaningful collaboration with INTI and be involved in preparing INTI students for employability. Students at INTI are eager to acquire new knowledge. This passion, innovative thinking, and positive attitude makes them valuable and appreciated by companies.”

Aaron Lim ( Producer )

## MALAYSIA SME MEDIA GROUP

“We were impressed by the ideas proposed by INTI students despite them only having minimum brief on the project. They demonstrated a high level of understanding and creativity that exceeded our expectations. Their good performance on the project shows that they are ready for the real world.”

Wayne Lim ( Group Chief Editor )

## CERIA COMMUNICATION

“We represent various Fortune 500 clients and government-linked companies (GLCs), therefore, we have high standards when it comes to work. INTI students do not disappoint us when it comes to creativity and carrying out tasks. They were courteous, responsible, and hardworking. All communications assignments were handled well despite the time pressures. As they completed their tasks, they managed to learn new industry and business skills to complement what they were taught in the classroom.”

Sheila Jaya Poomy ( Managing Director )

# EMPLOYER PROJECTS

INTI has established close ties with leading companies in the industry to develop employer projects to enable students to gain real, hands-on work experience while studying. Through these projects, students are presented with immediate challenges faced by businesses, and are required to work together in teams to develop and present their proposals. Projects are based on real-life business issues that will help students to develop their knowledge and apply their soft skills in actual business scenarios.

Some employer projects undertaken by our students:

- AIA INNOVATIVE DESIGN CHALLENGE COMPETITION**  
AIA  
Students were tasked to produce a video on MyPage User Instruction which teaches AIA users to register and use its main functions. Students had the opportunity to work with AIA’s professional team to produce high-quality ideas and standards.
- 8-WEEK CONTENT PLAN WITH ASTRO HITZ**  
Astro  
Students were required to brainstorm and create an 8-week radio content planning that included the use of Social Media. The students worked in groups and presented their ideas to Astro for their feedback.
- NATIONAL ANIMAL PRESERVATION CAMPAIGN**  
Zoo Negara  
Students were tasked to develop a nationwide campaign for Zoo Negara to raise awareness on its animal preservation programmes. They came up with marketing and social media campaigns and various promotional posters.
- INTERNAL AND EXTERNAL COMMUNICATION STRATEGIES: ENGAGING EXISTING EMPLOYEES AND LOCAL HIRES**  
Flex  
Students were required to analyse public perception towards Flex and to develop a new communication strategy that would allow the employer to engage with existing and new hires. They also had to conduct a survey as well as propose the necessary recommendations to ensure employee engagement and overall communication goals were met.
- CREATIVE STRATEGY CAMPAIGN**  
Digi  
Students were tasked to design a creative campaign to promote the Capture App, the MyDigi App as well as Digi’s Direct Billing to other campus students.

# MEDIA & COMMUNICATION COMPETITIONS AND STUDENT ACTIVITIES

## ▼ IPRM CONFERENCE ON ETHICAL AND RESPONSIBLE COMMUNICATION IN CONJUNCTION WITH WORLD PR DAY

Our Mass Communication students and lecturers attended the IPRM Conference at the Ministry of Communications and had the opportunity to mingle with The Honourable Fahmi Fadzil, the Minister of Communications. They also won second place in the video competition.

## ▼ UNITED VISION: STORIES OF HOPE IN COLLABORATION WITH SONY

The “United Vision: Stories of Hope” was an event in collaboration with Sony Malaysia to provide a platform for aspiring filmmakers to showcase their talents and creativity, while expressing their patriotism through a unique perspective towards Malaysia.

## ▼ SHARING SESSION BY CREATORS OF “PENDATANG”

INTI hosted the team behind ‘Pendatang,’ Malaysia’s first entirely crowdfunded movie, marking a significant milestone in the country’s film industry. This event celebrated creative excellence and cultural diversity, bringing together students, faculty, and prominent figures from the movie industry. The creators of ‘Pendatang’ engaged in lively discussions, offering thought-provoking insights into the film industry and sharing valuable details about the creative process behind the making of the movie.

## ▼ SKRIBBLE SPEAKS TO OUR YOUNG AND RISING TALENTS

The team from Skribble shared their stories of real-life campaign productions that they have done, diving into the heart of what makes a campaign tick in the real world, plus a sneak peak into what goes behind the scenes.

## ▼ LUNCAI EMAS MUSIC VIDEO PRODUCTION

Forty-two students from the Diploma in Mass Communication received certificates for their successful collaboration with local music publisher Luncai Emas Sdn. Bhd. The project exposed the students to the local music industry by allowing them to produce eight music videos for artists under the Luncai Emas record label.
